WILF AND MONIQUE,
MISSISSAUGA

"No surprises: just quality design and construction that you will be happy with."

ALBERT AND MARIE-ANN,
BRADFORD

"From the kitchen layout to the side door storage area to the downstairs bathroom shower to excellent electrical design, each part of the home is functional and well designed. Without exaggeration, our real estate agents said our house was a perfect 10."

MARIE,
MISSISSAUGA

"Classic gave me lots of ideas. I am very happy with the final result. Everyone who comes in loves my built-in."

Kitchens

- We design your kitchen with you to meet your needs and desires.
- You choose from a wide selection of styles and finishes in all price ranges.
- Your custom cabinets are built with precision and care.
- We install your kitchen professionally and efficiently.

listen

Built-ins

- We plan your built-in with you so that it fits your lifestyle.
- You determine the size, wood style, and finish so it fits your décor.
- We have the shelving, doors, organizers, and lights to make your built-in functional and beautiful.
- After installation, your built-in will enhance your home.

design

Bathrooms

- Two, three, or four pieces: we do bathrooms of all types and sizes.
- We lay out your bathroom with you so that your space is well-used.
- Our speciality is vanities and storage units; we also excel at electrical, plumbing, tiling, flooring, and lighting.
- Small project or large, we work with you from start to finish.
